Maternity and Child Welfare - South Kanara District - Coondapur Taluk - Opening of centres in Shirur and Basrur - Orders issued

Secy-1 H-E-+L-A. 1d3

If the Dt. Bd. has not got the necessary finance it may be ascertained whether the Panchayat Boards concerned are willing to make any contribution towards opening these maternity centres. Can Madras, maternity assistants from be posted to these villages without starting maternity centres?

SECRETARY TO GOVERNMENT 76737 24 DEC 1953 HEALTH, EDN. & LOCAL ADMN. DEPT.

To

The Hon'ble Minister for Health,
Government of Madras, Madras.

MINISTER FOR HEALTH 24 DEC 1953 GOVERNMENT OF MADRAS

Sir,

Sub: Opening of Maternity Centres at (1) Thiroor (2) Bastor in Coondapoor Taluk - Proposals of S. Kanara Dt. Board - request for sanction.

I understand that the District Board of South Kanara after its resolution No. 25/21-4-52, and No. 76/3-1-53 has requested the Govt. to accord necessary permission to open Maternity Centres at Thirroy. and Bastur of Coonapoor Taluk respectively. But the Government as per their memorandum No. 33018 dated 29-6-53 and G.O. No. Mis.3687 dated 13-10-53 (Health) did not approve the proposal of the District Board.

A/7 B/5 cf

In this connection I would like to impress upon the Government that the orders negativing the request of the District Board has done great unjustice and hardship to the people of the areas for which the Maternity centre are proposed. These centres are selected in Coondapoor Taluk which is most neglected and backward ~~area~~ in South Kanara District. Neither the National Extention Scheme nor the Community Project scheme is extended to this area to provide Maternity centres and other amenities needed for the people. Hence the District Board is the only agency through which people could expect such amenities being provided for. If the Government were to prohibit the District Board also for providing such amenities to the people permit me to submit that all talk of welfare state is a simple farce. I may add, Sir, that the centres proposed by the District Board are thickly populated ones, where the need and urgency of Maternity assistance are unexplainable.

P.T.O.

2

So, May I request you, Sir, to take immediate steps to order the District Board of South Kanara for the opening of Maternity Centre in the above mentioned places as expeditiously as possible.

Thanking you,

Yours faithfully,

Jnanayashri

I have to state that domiciliary midwifery service is a large activity of Maternity and Child Welfare work and is mainly the only service that is done in rural areas. The District Boards and Municipal Councils having Maternity and Child Welfare centres are therefore eligible for the grant equal to 1/4th of the actual expenditure incurred by them. In this connection, I invite attention of Government to the orders in G.O.No.Ms.1149-Education and Public Health, dated 27-3-42.

Ref:-Govt.Memo.No.76737-53-1-H3 d/30.12.53 and 27.7.54. and 12.8.54.

I send herewith a copy of the letter L.Dis.353/54 dated 22.2.54 of the District Panchayat Officer, South Kanara together with copies of the resolutions of the Basrur and Shirur panchayats relating to the above subject.

The resolutions of the panchayats show that the panchayats are agreeable to pay a contribution of Rs.250/- per annum towards the maintenance of the Maternity Centres if opened in their panchayat areas. But there is no mention in the resolutions about the provision of rent free accommodation for the centres. However it may not be impossible for these two panchayats to provide rent free quarters for the centres if ordered to be opened.

The Secretary to Government,

Sir,

Sub: MATERNITY & CHILD WELFARE - South Kanara District - Coondapur Taluk - Opening of Centres at Shiroor and Basrur.

Ref: Government Memorandum No.76737/53-10-H-III dated 7---2---1955.

With reference to the Government Memorandum cited above, I have to state that the question of opening Maternity Centres at Basrur and Shiroor was considered in view of Government Memorandum No.76737/53-9-H-III of 20---10---1954 by the Public Health Committee and the District Board while considering the budget proposals and made provision for the starting of these centres in its Budget Estimate for 1955-'56. Although there is a deficit in the Budget, the proposal to start these two Maternity Centres has been made by reducing certain items of expenditure under 'Public Health'. As the District Board feels that this is an amenity which it should provide taking advantage of the promise of the Panchayat Boards to pay an annual contribution of Rs.250-0-0 each. The approximate expenditure that has to be incurred in connection with the opening of these two Maternity Centres are as detailed below:--

Pay and D.A.for one year ...	Rs.	732-0-0
Contingencies		24-0-0
Medicines		60-0-0
		816-0-0
Deduct		
Contribution by the Panchayat Board		250-0-0
		566-0-0

The opening of each of the above two Maternity Centres will, therefore, cost this Board only Rs.566-0-0 annually.

I, therefore, request that the Government may be pleased to sanction the opening of these Maternity Centres at Shirur and Basrur as a special case in the circumstances stated above.

For President.

opening of M & C.W centres, in view of the inability of the Dt Bd to open them and whether maternity assistants cannot be posted to these villages without starting maternity centres. p3-4 Cf-

The DPH has accordingly submitted his reply. Vide pp 9-10 Cf. It is reported that the Panchayat Boards of Shirva and Basrur have agreed by resolutions to pay a Contribution of Rs 250/- each to the Dist Board with rent free accomodation for the starting of a centre. It is estimated that the Dist Board will have to meet the expenditure of Rs. 1000/- by way of salary and allowances of the maternity assistant and cost of medicines etc exclusive of the one fourth maintenance cost of Rs 250/- in respect of each centre. The Spl. Offr of the Dist Bd has therefore requested the DPH to address the Govt in the matter. The D.P.H has recommended that Sanction may be accorded for the opening of the centre in the two villages with a maternity assistant in each for domiciliary Services only and the Dt Bd may be permitted to receive from each of the Panchayat Boards a Contribution of Rs 250 p.a. year. p10 Cf p9 Cf p9 Cf

The financial Position of the South Kanara Dt Board is not Satisfactory. Its general account on the basis of its B E for 1954-55 is expected to show at a deficit of Rs 94730. The Dt Bd is being given D.A grant towards the deficit in its general accounts. In view of its unsatisfactory financial position the Dt Bd has been asked specifically

no not to increase its commitments. The Bd is not in a position to meet the extra expenditure involved in the proposal under reference.

C.K. 17/7

S.S.S. 17.7.54

The cost of maintaining each of the two centres proposed by the South Kanara Dt. Bd. is about Rs.1000 a year. Against this the panchayat board concerned will give a contribution of Rs.250 a year besides rent free accommodation. ~~Ordinarily~~ 1/4th grant is given to local bodies towards the maintenance of these centres. In cases where local bodies are unable to meet 3/4th of the cost of the maintenance, Government give 50% grants. So the Dt. Bd. will have to meet only Rs.1,000/- or Rs.500/- a year, as the case may be, according to its financial position, on the maintenance of these centres. This small expenditure by the Dt. Bd. is worth incurring having regard to the essential services to be provided with such expenditure. The proposal may therefore be approved. Finance may see.

The Supdt's reply (since received), in the matter is at p17cf. It is reported that the financial position of the Panchayats does not permit them to open maternity centres and maintain them independently. The Supdt has pointed out that the Panchayat Boards have agreed by resolutions to pay a Contribution of Rs 2.50)- each to the Dist Board, South Kanara for the opening of Centres. The Supdt adds that though there is no mention in the resolutions about rent free accomodation for the Centres, it may not be impossible for them to provide accomodation if the Centres are ordered to be opened. p17cf ibid

As noted on p 3 ante, the Dist Boards will have to provide the Centre and meet the cost by receiving the necessary aid from Govt, (i.e) one fourth or half of the cost of maintaining them, in addition to the Contribution from the Panchayats.

Summary

The file relates to the opening of a maternity and child welfare centre in each of the two villages of Shirvor and Basrur in the South Kanara Dist. Sri. Y. Manjayya Shetty, M.L.A, Coondapoor has requested the Govt to direct the South Kanara Dist. Board to open the maternity and child welfare centres in the two panchayats as they are not at present served by any development schemes and the need and urgency for the provision of maternity and child welfare facilities in the two places is very keenly felt by the public. The Panchayats of Shirvor and Basrur are also agreeable to pay a Contribution of Rs 250/- each to the Dist. Board, S. Kanara for maintaining the centres. It is also reported that it will not be impossible for the panchayats to provide rent free quarters for the centres if ordered to be opened.

It is however noted that the financial position of the South Kanara Dist. Board is unsatisfactory, that it is being given dearness allowance grant and that if the Dist. Board is permitted to open the centres, it will amount to the Govt meeting the net expenditure on the centres. It is therefore considered that it is not advisable for the District Board to increase

its Commitments by opening the centres.

5 extra Finance Deptt agrees with this view. In the circumstances, the M.L.A may be informed that the request for the opening of more centres at Shirur and Basrur cannot be complied with. Subject to orders, a draft letter is submitted for approval.

The file may be circulated to M(H) and M(LA) before issue of the draft.

The Summarising note from p 6 ante and the orders in circulation on p 7 ante may be perused.

The President, Dist Board South Kanara who was consulted in the matter has since resolved to open a maternity and child welfare centre at Basrur and Shirur on the condition that each panchayat board contributes a sum of Rs 250 p.a annually. The Dist. Board has not stated how it proposes to meet the extra cost involved on the maintenance of the Centres in the two villages though the P.D.B. had been specifically asked to do so.

The position stated at 'A' may be put to the Dt Bd and it may be asked to state how it proposes to meet the extra cost. Subject to orders, a draft memo is submitted for approval.

The note on pp. 6-7 ante. will recall the case. With reference to the minute of L. (E) on p.7 ante, the South Kanara Dt. Bd. was asked to state whether it will be able to meet the cost of opening two M. & C.W. centres at Shirur and Basrur and their subsequent maintenance by retrenching its expenditure on other directions and if so, how. The President, District Board has not answered this point specifically but has merely stated that the Dt. Bd. has resolved to open the centres at Shirur and Basrur by reducing certain items of expenditure under Public Health taking advantage of the contribution promised by the Panchayat Boards. The cost to the Dt. Bd. by the opening of the centres will be Rs.1,132/-

In the above circumstance, it is for consideration whether the Dt. Bd. South Kanara may be permitted to open a maternity and child welfare centre at each of the two Villages of Shirur and Basrur.

29.3.55.

The General Account of the Dt. Bd. on the basis of the B.E. for 1955-56 is expected to work at a deficit of Rs.1,74,780/-. For 1954-55 an advance D.A. grant of Rs.1,10,000/- has been sanctioned to the Dt. Bd. towards the estimated deficit in its General Account for that year. The savings on account of any reduction found possible in expenditure should in all fairness be utilised for reducing the deficit under the General Account,

P.T.O.

EA

as the District Board is depending on Government grant. If the Board is permitted to open new maternity and child welfare centres, it will amount to Government meeting the expenditure by way of D.A. Grants. It may be noted that the deficit in the accounts of the Dt. Bd. is much more than the maximum D.A. grant admissible.

Note for Circulation.

The file relates to the opening of a maternity and child welfare centre in each of the two villages of Shirur and Basrur in the South Kanara District. The Panchayat of Shirur and Basrur have each agreed to pay a contribution of Rs.250/- per year to the South Kanara District Board for the maintenance of maternity and child welfare centres in their areas. It is reported that it will not be impossible for the panchayats to provide rent free quarters for the centres ~~if so ordered to be opened~~. Sri Y. Manjayya Shetty M.L.A.
